

EMANUEL SCHOOL

ENROLMENT POLICY GUIDELINES AND CONDITIONS

Note: Information about Emanuel School's programs and philosophy is available in the prospectus and on the website, www.emanuelschool.nsw.edu.au.

Enrolment priorities and ethos

Our enrolment priorities are established to reflect the ethos of our School. Consequently, we seek to enrol those children best able to benefit from the School programs we offer, and whose families understand and are supportive of the vision, mission and ethos of the School and who demonstrate a willingness to participate in our full range of activities. We will assess all applications to enrol against these criteria.

The timing of an interview with parents and students is at the discretion of the School.

Overseas students whose first language is not English are required to provide evidence of English competency prior to the interview. Copies of the student's and their parents' passports and visas are required.

The School's compulsory Jewish Studies and Hebrew programs must be taken by the student and involvement in the Jewish life of the School is required.

Enrolment process

Application for enrolment in Emanuel School is a two-part process:

- a. Registration – completion and return of the Registration Form, accompanied by copies of Required Documents and payment of \$150.00 Registration Fee. This ensures a student's name is included on the waiting list
- b. Enrolment – completion and return of an Acceptance Form and the Enrolment Form, along with payment of the Commitment Fee, are required to finalise the enrolment of the student in the School.

Key Enrolment points

- **Pre-school:** Children entering Pre-school need to be 3 years old before they commence. They also need to be toilet trained.
- **Kindergarten:** Children entering Kindergarten need to be 5 years old by 30 April
- **Year 5 Mainstream and Opportunity Classes:** Entry to the opportunity class involves a selection process.
- **Year 7:** Places in Year 7 are usually limited, but applications are encouraged and will be considered.
- **Other Years:** Applications for entry to other years will be considered if places are available. Due to the high demand for places, we advise parents to apply for entry for their child well before the desired year of entry. Offers will be made at the discretion of the Principal and may take into account the boy/girl ratio in the existing cohort.

On receipt of completed applications for registration we create a waiting list and use this list to begin the process of enrolment, such as invite the child and parents to interview, so as to fill the available places.

Key Transition points

Students already enrolled in Emanuel School will transition into the next year automatically providing required learning outcomes have been met. If a student's needs have changed significantly, updated reports from specialists may be required to determine whether transition may occur or not.

- **Pre-school to Kindergarten** - Students enrolled in Kornmehl continuously for the duration of their time in Pre-school have a place reserved in Kindergarten if
 - a. Their fifth birthday is prior to 30 April in the year they commence Primary School **and**
 - b. The commitment fee paid on enrolling in Pre-school is applied at that time to Term 1 fees in Kindergarten.
- **Year 2 to Year 3**
- **Year 6 to Year 7**

Waiting Lists, Offers and Notifying Parents

Students will only be placed on a waiting list when all registration requirements have been completed and the registration fee has been paid.

Intention to Enrol - priority will be given to applicants whose parents have submitted the completed application for registration, paid the \$150.00 Registration Fee and have also responded to our communication regarding their future enrolment plans. Priority based on the date of the original application will still apply within the list of those who have responded to the Intention to Enrol communication. This occurs approximately 15 months prior to the intended year of entry.

Once priority registrations have been noted, waiting lists are prioritised according to the date of application. When a grade has reached optimum size, the child will remain on the waiting list until a place becomes available. Parents will be advised at that time. Parents may choose to defer their child's registration to a later grade and year of entry.

If a place is offered, parents will be notified by mail, requesting acceptance of the place within two weeks of the offer being made. If the place is not accepted within the time period, the offer will lapse. An offer may not be held over to a later grade and year of entry.

Discretionary Entry (at the discretion of the Principal in consultation with the President).

Sibling Priority Effective 1 January 2019, **all** applicants within a family group need to be on the waiting list for a minimum of two years before the sibling priority is activated. In the case of a new enrolment where there is a sibling on the waiting list, the sibling priority for the child on the waiting list is only activated once the enrolled student has attended ES for two years. For applications received until 31 December 2018, the sibling priority applies.

Moving the Proposed Start Date of a Student Record on the Waiting List

There is **only one opportunity** to change the proposed start date for a student who has been placed on a waiting list for a particular year and grade. This may mean deferring the start date to a later year or moving it forward to an earlier year. Any such move can be done only once if it is to retain the original date of registration. Once this opportunity has been taken, any further change would see the registration date amended to reflect the date on which this further change is requested. Any variation to this policy is at the discretion of the Principal.

If parents decline an offer of a place for a particular grade and year of entry, they will be asked to specify the grade and year of entry to which they would like their child's registration deferred. If parents do not provide this information, the child's name will be placed on the waiting list for the next entry point.

Enrolment Fees

Registration Fee

This is paid by parents and forwarded with the *Registration* form. This amount is non-refundable and does not guarantee a place at the School.

Commitment Fee

Parents pay this on acceptance of an offer of a place for their child. This fee serves to secure their child's place and should a family withdraw their acceptance prior to their child commencing at the School, **the entire fee is forfeited.**

Of the commitment fee for **Years K-12** all but \$1,000 is credited to the first term's fees. The \$1,000 portion of the Commitment Fee identified above is retained on commencement, and will be refunded in the following circumstances:

- On the completion of Year 12, or
- With the provision of adequate notice of withdrawal to the Principal at other year levels, where adequate notice is defined as: eight (8) weeks of term time, except for **Year 6, which requires two terms' notice.**

Where adequate notice is not provided, the \$1000 balance of the Commitment Fee is forfeited. Of the commitment fee for **Pre-School** all but \$1,000 is credited to the first term's fees for either Kindergarten or Pre-school. The retained \$1,000 portion of the Commitment Fee is refunded in the following circumstances:

- Where the family has elected not to progress through to Emanuel School Kindergarten as long as adequate notice of withdrawal is provided to the School. Adequate notice is eight (8) weeks term time.
- If, on acceptance of a place in Pre-School the family elects to continue onto Emanuel Kindergarten, the \$1000 Commitment Fee is refunded as per process for Years K-12 above.

No other fee in lieu of notice applies. This application of commitment fee to fees in lieu of notice is relevant for enrolments after February 2015.

Current students moving from Year 6 to Year 7 are not required to pay a commitment fee.

Enrolment Contract

Acceptance of a place requires the return of the signed Enrolment Form and payment of the Commitment Fee. This establishes an agreement to abide by and support the school rules and policies, to pay the School Fees, to accept the Enrolment Terms and the consequences of suspension or termination. The contract establishes an ongoing relationship between the school and the parents and continues in force beyond the end of each school year.

On enrolment there is an expectation that all students will participate in all the compulsory activities of the school, including classes, Jewish Life events, prayers, camps, some extra-curricular activities and special school functions (such as concerts and inter-school sporting events.) Some camps, excursions and extra-curricular activities may entail an extra charge to the tuition fees.

Parents' declaration

Completion of the *Enrolment Form* requires the declaration of:

Any disability, illness, condition, special needs of their child, be they medical, educational, psychological or social

Any/all medication a child is taking for any reason

Any Court Orders, Parenting or Restraint Orders that applies to the prospective student, parent(s) and siblings (the School requires copies of these documents)

A commitment to keep the School up-to-date with essential information about their child such as diagnosed disability, illness, condition or special needs that occur after enrolment and which would impact on the student's learning and wellbeing

Completion of the *Enrolment Form* and provision of all required supporting documents

If parents withhold information relevant to their child's enrolment the School will reserve the right to:

- Refuse, or terminate the enrolment process or
- Cancel the student's enrolment

Communication with Parents

The School's practice is to communicate with both parents unless documentary evidence to the contrary is provided e.g. Court Order.

School Fees

- Are comprised of the following: tuition fees, levies and additional costs.
- Are available on the Emanuel School website during December each year.
- May be paid in cash (\$1000 limit), by cheque or credit card (use of Visa/MasterCard/Amex attracts a service fee of 1% of the amount paid).

 1. the entire year in advance within the first four weeks of Term 1 to qualify for a discount on tuition fees and levies. Please contact the Accounts department for further information.

Term 1 School Fees must be paid on the first day of Term 1 in the year the student is to start at the School unless otherwise indicated on the invoice. Term 1 School Fees are non-refundable even if the student does not proceed with the enrolment having previously accepted the place.

The School reserves the right to charge administration costs on fees not paid within the specified time.

Scholarships and Discounts

Scholarships, financial assistance and other discounts that the School offers from time to time are only applied to tuition fees. Any levies and charges specifically identified and approved by the School Board do not attract a discount and are payable in full.

Sibling discounts listed below currently apply to families with two children or more but not where families are in receipt of any other reduction in tuition fees (except scholarships).

- Second child: 10% discount
- Third child: 20% discount
- Fourth or further children: 25% discount

The school applies a firm credit policy. The School allows a discount if payment is made in advance of a full year's fees. Please contact the Accounts department for further information.

Enrolling Students with Disabilities

Emanuel School adheres to the Disability Standards for Education 2005 and to processes detailed in this document. These guidelines are pertinent to all applications to register and enrol at Emanuel School.

Disclosure of diagnoses of all disabilities, special needs, illnesses, disorders is a requirement of enrolment.

Enrolling Overseas Students

Emanuel School is not currently registered to enrol individuals entering Australia on a student visa. We do however welcome applications from families entering Australia as permanent residents. In this instance copies of passports and visas for both parents and each student are required as part of the application.

Withdrawing a student from the School

Parents are required to provide the Principal with adequate notice in writing before a student is withdrawn from the School. Adequate notice is defined as: eight (8) weeks' term time, for all grades except for Year 6. Parents of Students wishing to withdraw their child at the end of Year 6 are required to provide the Principal **with two terms' notice in writing**. Insufficient notice will result in parents forfeiting \$1,000, being the portion of the Commitment Fee that was retained on commencement. Please see *Commitment Fee* section for further clarification.

Parents, Guardians and Carers

In this Policy 'parents' are referenced to indicate those people responsible for enrolling students. As most enrolments involve the natural parents of children this terminology has been used for simplicity. However, the use of parents includes applications to enrol in which guardians or carers have responsibility for a child's application.

Privacy of Information Supplied

All information supplied during the enrolment process is kept confidential and accessed only by those staff involved in the enrolment process. If an application to enrol is not successful the information will be retained, with the permission of the parents, in case a place should become available at a later date.

Changes to the Enrolment Policy

The School reserves the right to alter its Enrolment Policy at any time. Any changes will be communicated to parents.

Guidelines for Enrolment

Information about the School is easily available and accessible online or on request from the Enrolments Office.

The Emanuel School Prospectus Pack contains the following documents to assist all students and parents to make informed choices regarding possible enrolment:

- a. Prospectus
- b. Enrolment Policy & Guidelines
- c. Enrolment Information Booklet (including fee information)

All families are engaged in discussion as to whether the student requires any special services or facilities the School might provide to assist them. The School obtains information from a third party (such as the Association of Independent Schools and/or the student's specialist support personnel) about the student's needs due to any identified disability.

All relevant information must be supplied as quickly as possible to ensure the application from a student with a disability is processed in a timely manner as would apply to any other student.

A collaborative team approach to planning is implemented to use the combined expertise of the family and their specialist/s with the School and its advisors. Objective notes including names of those involved are kept on an ongoing basis regarding possible adjustments, agreed actions and a timeline.

Applications (Pre-school to Year 12)

Registration Form (Step 1 of enrolment)

Completing the Registration Form requires that parents:

- Provide basic personal details and contact information to include a child on the waiting list.
- Identify any disability/condition or illness their child has that may impact on their education and/or participation in the programs provided by the School. Disclosure of such information is mandatory - it is not in the child's best interest to withhold information required to accommodate their needs.
- Pay the Registration Fee of \$150.00 (non-refundable).
- Provide a copy of the child's birth certificate and a copy of his/her immunisation record as supporting documents. These form part of the Registration documentation. Each supporting document for Pre-school registration must be certified (by a Justice of the Peace).
- For applicants who are not Australian citizens, proof of permanent residency must be provided (a copy of passport and visa)
- Sign the Registration Form, acknowledging the contract with Emanuel School to include their child on the waiting list for a specified grade and year of entry. Parental signatures on the Registration Form also acknowledge they have received and read all information in the Enrolment Policy Document.

All registrations are listed in order of date of receipt of the Registration Form. Requests to change the grade and year of entry (deferment) must be made in writing (see Deferment below).

Interview and Offers (Pre-school to Year 11)

When places are available and in date order of original registration, after consideration of priority status, prospective students, accompanied by their parent(s), are invited to attend an interview at the School as part of the enrolment process. Copies of the student's most recent two school reports (if applicable) are required in advance of the interview. Comprehensive and full disclosure of special circumstances, including medical details must be made prior to the interview.

Following the interview, the School may make an offer of a place.

Acceptance of an offer will be required within a fixed time (generally two weeks). Acceptance of an offer, completion of required documentation and payment of a Commitment Fee will confirm a place in the School. Non-payment of the Commitment Fee within the fixed time of the offer will result in the place being forfeited.

For Pre-School and Kindergarten entry, letters of offer will be mailed to a number of families at one time, generally prior to mid-year. Parents wishing to secure a place for their child will be required to accept the offer and pay the commitment fee at that time, although enrolment will only be confirmed following completion of internal processes, including an interview, and if appropriate, consultation with parents and a consultant from AIS about disability and impact of this on the student's education; identification of adjustments; preparation of a review schedule etc.

Acceptance and Enrolment Forms

The following steps must be adhered to before a place can be confirmed:

- A signed Acceptance Form and payment of the commitment fee must be received by the School
- A completed Enrolment Form signed by both parents (if appropriate) must be received by the School
- Any special circumstances including medical details must be disclosed (and noted on the Enrolment Form) especially as these may have arisen since the student's Registration Form was first completed
- The student and his/her parent(s) must attend an interview with the Pre-school Director, Head of Primary or Principal
- Provision of comprehensive information by parents in preparation for enrolment.

Commitment Fee

This fee is set each year in line with tuition fees charged. Please refer to the current Tuition Fees Schedule. All but \$1,000 is non-refundable and non-transferable. This amount is retained on acceptance of the student's place and will be refunded when the student leaves the school providing adequate notice of his/her withdrawal is provided (see section about *Withdrawing a Student From the School*). The balance of the commitment fee for **Years K-11** will be credited to the student's first term's fees.

For Pre-school, parents will be required to indicate whether they will have their commitment fee applied to payment of Term 1 fees for either:

Kindergarten – guaranteeing the student a place in that grade on completion of Pre-School at Kornmehl,
OR

Pre-School – whereby these students will

- a. Be included on the waiting list for Kindergarten but not guaranteed a place
- b. Receive a preference for placement in Kindergarten after siblings of current students and children of Alumni have been accommodated, and ahead of other applicants on the waiting list
- c. Be required to have the non-refundable commitment fee paid on acceptance of a place in Kindergarten should they proceed with enrolment

Accounts (School Fees)

The parents or persons nominated on the Enrolment Form as being responsible for the payment of school fees are jointly and severally responsible for the payment of fees.

Other costs such as for camps, excursions, extra subjects, materials and the supply of goods and services may be charged to a student's account at the School's discretion and shall be payable under the same conditions as School fees.

All fees are payable on or before the first day of each term. **The payment of school fees is required as a direct debit arrangement** from a bank or credit card for all new families enrolling in the school after April 2018. Monthly direct debit payments may also be arranged.

Payments made after the due date will attract an Administration Charge as published from time to time by the School. The School reserves the right to refuse entry to or terminate the enrolment of students for whom the fees are in arrears.
