

# ENROLMENT POLICY GUIDELINES AND CONDITIONS

Note: Information about Emanuel School's programs and philosophy is available in the prospectus and on the website, <u>www.emanuelschool.nsw.edu.au</u>.

## **Enrolment priorities and ethos**

Our enrolment priorities are established to reflect the ethos of our School. Consequently, we seek to enrol those children best able to benefit from the School programs we offer, and whose families understand and are supportive of the vision, mission, and ethos of the School and who demonstrate a willingness to participate in our full range of activities. The School's compulsory Jewish Studies and Hebrew programs must be taken by the student and involvement in the Jewish life of the School is required.

We will assess all applications to enrol against these criteria.

The timing of an interview with parents and students is at the discretion of the School.

Emanuel School is not currently registered to enrol individuals entering Australia on a student visa.

#### **Enrolment process**

#### Application for enrolment in Emanuel School is a two-part process:

- a. Registration completion and return of the Registration Form, accompanied by copies of Required Documents and payment of the \$150.00 non-refundable Registration Fee. This ensures a student's name is included on the waiting list.
- b. Enrolment completion and return of an Acceptance Form and the Enrolment Form, along with payment of the Commitment Fee, are required to finalise the enrolment of the student in the School.
- c. In the case of all families, including divorced or separated families, it is the School's assumption and understanding that prior to lodging an application, both parents agree to the application and possible enrolment of their child. Unless otherwise stated in Family Court Orders, both parents are required to sign the Registration form and should a place be offered, both parents must sign a copy of the Letter of Offer as acknowledgement and acceptance of the School's Conditions of Enrolment. Emanuel School is unable to involve itself in any family matters.

# Key Enrolment points

- **Pre-school:** Children entering Pre-school need to be 3 years old before they commence. They also need to be toilet trained.
- Kindergarten: Children entering Kindergarten need to be 5 years old by 30 April
- Year 5 Mainstream and Advanced Learning Program: Entry to the Advanced Learning Program involves a selection process.
- Year 7: Places in Year 7 are usually limited, but applications are encouraged and will be considered.
- **Other Years**: Applications for entry to other years will be considered if places are available. Due to the high demand for places, we advise parents to apply for entry for their child well before the desired year of entry. Offers will be made at the discretion of the Principal and may consider the boy/girl ratio in the existing cohort.

On receipt of completed applications for registration we create a waiting list and use this list to begin the process of enrolment, such as invite the child and parents to interview, to fill the available places.

## **Key Transition points**

Students already enrolled in Emanuel School will transition into the next year automatically providing required learning outcomes have been met. If a student's needs have changed significantly, updated reports from specialists may be required to determine whether transition may occur or not.

- **Pre-school to Kindergarten** Students enrolled in Kornmehl continuously for the duration of their time in Pre-school have a place reserved in Kindergarten if
  - a. Their fifth birthday is prior to 30 April in the year they commence Primary School and
  - b. The commitment fee paid on enrolling in Pre-school is applied at that time to Term 1 fees in Kindergarten.
- Year 6 to Year 7

# Waiting Lists, Offers and Notifying Parents

Students will only be placed on a waiting list when all registration requirements have been completed and the registration fee has been paid.

**Intention to Enrol** - priority will be given to applicants whose parents have submitted the completed application for registration, paid the \$150.00 Registration Fee and have also responded to our communication regarding their future enrolment plans. **This also applies to siblings of current students and siblings/children of alumni**. Parents must have attended Emanuel School for a minimum of four years for the child of alumni category to be activated. Places to students in these categories is not guaranteed without completion of the Intention to Enrol form. Priority based on the date of the original application will still apply within the list of those who have responded to the Intention to Enrol communication. This occurs approximately 15 months prior to the intended year of entry.

Once priority registrations have been noted, waiting lists are prioritised according to the date of application. When a grade has reached optimum size, parents will be advised and may choose to defer their child's registration to a later grade and year of entry.

If a place is offered, parents will be notified by mail, requesting acceptance of the place within two weeks of the offer being made. If the place is not accepted within this time, the offer will lapse. An offer may not be held over to a later grade or year of entry.

Discretionary Entry (at the discretion of the Principal in consultation with the Board President).

## **Sibling Priority**

Effective 1 January 2019, **all** applicants within a family group need to be on the waiting list for a minimum of two years before the sibling priority is activated. In the case of a new enrolment where there is a sibling on the waiting list, the sibling priority for the child on the waiting list is only activated once the enrolled student has attended Emanuel School for two years. For applications received until 31 December 2018, the sibling priority applies.

## Moving the Proposed Start Date of a Student Record on the Waiting List

There is **only one opportunity** to change the proposed start date for a student who has been placed on a waiting list for a particular year and grade. This may mean deferring the start date to a later year or moving it forward to an earlier year. Any such move can be done only once if it is to retain the original date of registration. Once this opportunity has been taken, any further change would see the registration date amended to reflect the date on which this further change is requested. Any variation to this policy is at the discretion of the Principal.

If parents decline an offer of a place for a particular grade and year of entry, they will be asked to specify the grade and year of entry to which they would like their child's registration deferred. If parents do not provide this information, the child's name will be placed on the waiting list for the next entry point.

## **Enrolment Fees**

## **Registration Fee**

This is paid by parents and forwarded with the Registration form. This amount is non-refundable and does not guarantee a place at the School.

#### **Commitment Fee**

#### **Kornmehl Pre-school**

Parents pay a \$1500 commitment fee on acceptance of an offer of a place for their child, of which \$300 is retained by the School as a non-refundable enrolment fee. The remaining \$1200 of the commitment fee is credited to the first term's fees for either Kindergarten or Pre-school. Should a family withdraw their acceptance prior to their child commencing at the School, **the entire fee of \$1500 is forfeited.** 

For Pre-school enrolments, parents will be required to indicate whether they will have their commitment fee applied to payment of Term 1 fees for either:

Kindergarten – guaranteeing the student a place in that grade on completion of Pre-School at Kornmehl, OR

Pre-School - whereby these students will

- a. Be included on the waiting list for Kindergarten but not guaranteed a place.
- b. Receive a preference for placement in Kindergarten after siblings of current students and children of alumni have been accommodated, and ahead of other applicants on the waiting list.
- c. Be required to pay and an additional commitment fee paid on acceptance of a place in Kindergarten should they proceed with enrolment.

#### Years K-12

Parents pay a \$2500 commitment fee on acceptance of an offer of a place for their child, of which \$300 is retained by the School as a non-refundable enrolment fee. The remaining \$2200 of the commitment fee is credited to the first term's fees. Should a family withdraw their acceptance prior to their child commencing at the School, **the entire fee of \$2500 is forfeited**.

Current students moving from Year 6 to Year 7 are not required to pay a commitment fee.

# **Enrolment Contract**

Acceptance of a place requires the return of the signed Enrolment Form and payment of the Commitment Fee. This establishes an agreement to abide by and support the school rules and policies, to pay the School Fees, to accept the Enrolment Terms and the consequences of suspension or termination. The contract establishes an ongoing relationship between the school and the parents and continues in force beyond the end of each school year.

All school fees must be paid by direct debit or credit card (service fee of 1% of the amount paid), **enrolment** will not be confirmed until we receive the completed Direct Debit Authority form.

Now that you are joining the Emanuel School family, the Parent Safety Group (PSG) requires your support to ensure that we maintain a safe campus. We will require a commitment of one shift per Term by a family member, either from 7.30am - 8.30am or 3.00pm – 4.00pm. This commitment will be on an ongoing basis for the duration of your child's enrolment at Emanuel School.

On enrolment there is an expectation that all students will participate in all the compulsory activities of the school, including classes, Jewish Life events, prayers, camps, some extra-curricular activities and special school functions (such as concerts and inter-school sporting events.) Some camps, excursions and extra-curricular activities may entail an extra charge to the tuition fees.

## Parents' declaration

Completion of the Enrolment Form and provision of all required supporting documents requires the declaration of:

- Any disability, illness, condition, special needs of their child, be they medical, educational, psychological or social and any/all medication a child is taking for any reason.
- Any Court Orders, Parenting or Restraint Orders that applies to the prospective student, parent(s) and siblings (the School requires copies of these documents).
- A commitment to keep the School up to date with essential information about their child such as diagnosed disability, illness, condition, or special needs that occur after enrolment, and which would impact on the student's learning and wellbeing.

If parents withhold information relevant to their child's enrolment the School will reserve the right to refuse, or terminate the enrolment process or cancel the student's enrolment.

#### **Communication with Parents**

The School's practice is to communicate with both parents unless documentary evidence to the contrary is provided e.g., Court Order.

#### **School Fees**

- Are comprised of the following: tuition fees, levies and additional costs.
- Year 12 students fees are payable until the end of Term 4.
- Fees and charges are determined each year by the School Board, are reviewed annually, and are subject to change. The current fees are listed in the Fees Schedule on the School's website.

The School reserves the right to charge administration costs on fees not paid within the specified time.

## **Scholarships and Discounts**

Scholarships, financial assistance, and other discounts that the School offers from time to time are only applied to tuition fees. Any levies and charges specifically identified and approved by the School Board do not attract a discount and are payable in full.

Sibling discounts listed below currently apply to families with two children or more but not where families are in receipt of any other reduction in tuition fees (except scholarships).

- Second child: 10% discount
- Third child: 20% discount
- Fourth or further children: 25% discount

## **Enrolling Students with Disabilities**

Emanuel School adheres to the Disability Standards for Education 2005 and to processes detailed in this document. These guidelines are pertinent to all applications to register and enrol at Emanuel School. Disclosure of diagnoses of all disabilities, special needs, illnesses, disorders is a requirement of enrolment.

#### **Enrolling Overseas Students**

Emanuel School is not currently registered to enrol individuals entering Australia on a student visa. We do however welcome applications from families entering Australia as permanent residents. In this instance copies of passports and visas for both parents and each student are required as part of the application.

#### Withdrawing a student from the School

Parents are required to provide the Principal with adequate notice in writing before a student is withdrawn from the School. Adequate notice is defined as: eight (8) weeks' term time, for all grades except for Year 6. Parents of Students wishing to withdraw their child at the end of Year 6 are required to provide the Principal **with two terms' notice in writing**.

#### Parents, Guardians and Carers

In this Policy 'parents' are referenced to indicate those people responsible for enrolling students. As most enrolments involve the natural parents of children this terminology has been used for simplicity. However, the use of parents includes applications to enrol in which guardians or carers have responsibility for a child's application.

#### **Privacy of Information Supplied**

All information supplied during the enrolment process is kept confidential and accessed only by those staff involved in the enrolment process. If an application to enrol is not successful the information will be retained, with the permission of the parents, in the event a place should become available later.

# **Changes to the Enrolment Policy**

The School reserves the right to alter its Enrolment Policy at any time. Any changes will be communicated to parents.

# **Guidelines for Enrolment**

Information about the School is available and accessible online or on request from the Enrolments Office. The Emanuel School Prospectus Pack contains the following documents to assist all students and parents to make informed choices regarding possible enrolment:

- a. Prospectus
- b. Enrolment Policy & Guidelines
- c. Current Fee Structure

All families are engaged in discussion as to whether the student requires any special services or facilities the School might provide to assist them. The School obtains information from a third party (such as the Association of Independent Schools and/or the student's specialist support personnel) about the student's needs due to any identified disability.

All relevant information must be supplied as quickly as possible to ensure the application from a student with a disability is processed in a timely manner as would apply to any other student.

A collaborative team approach to planning is implemented to use the combined expertise of the family and their specialist/s with the School and its advisors. Objective notes including names of those involved are kept on an ongoing basis regarding possible adjustments, agreed actions and a timeline.

## Applications (Pre-school to Year 11) Registration Form (Step 1 of enrolment)

Completing the Registration Form requires that parents:

- Provide basic personal details and contact information to include a child on the waiting list.
- Identify any disability/condition or illness their child has that may impact on their education and/or participation in the programs provided by the School. Disclosure of such information is mandatory it is not in the child's best interest to withhold information required to accommodate their needs.
- Pay the Registration Fee of \$150.00 (non-refundable).
- Provide a copy of the child's birth certificate and a copy of his/her immunisation record as supporting documents. These form part of the Registration documentation.
- For applicants who are not Australian citizens, proof of permanent residency must be provided (a copy of passport and visa).
- Sign the Registration Form, acknowledging the contract with Emanuel School to include their child on the waiting list for a specified grade and year of entry. Parental signatures on the Registration Form also acknowledge they have received and read all information in the Enrolment Policy Document.

All registrations are listed in order of date of receipt of the Registration Form. Requests to change the grade and year of entry (deferment) must be made in writing (see Deferment below).

# Interview and Offers (Pre-school to Year 11)

When places are available and in date order of original registration, after consideration of priority status, prospective students, accompanied by their parent(s), are invited to attend an interview at the School as part of the enrolment process. Copies of the student's two most recent academic reports and Naplan result (if applicable) are required in advance of the interview. Comprehensive and full disclosure of special circumstances, including medical details must be made prior to the interview.

In considering all prospective enrolments, the School may ask parents to authorise the Principal or his delegate to contact:

- The Principal of the student's current school to obtain or confirm information pertaining to the student or their enrolment.
- Any medical or other personnel considered significant for providing information pertaining to the needs of the student.

Where information obtained by the Principal suggests:

- A profile of misconduct, illegal activities or anti-social behaviours that indicate the student's enrolment at the School is likely to be detrimental to other students, the staff, or the School, or
- The parents may not be able to meet the financial commitment required by a having a student at the School, the Principal may decline to proceed any further with the enrolment process.

Following the interview, the School may make an offer of a place.

Acceptance of an offer will be required within a fixed time (generally two weeks). Acceptance of an offer, completion of required documentation and payment of a Commitment Fee will confirm a place in the School. Non-payment of the Commitment Fee within the fixed time of the offer will result in the place being forfeited.

For **Pre-School and Kindergarten** entry, letters of offer will be mailed to several families at one time, generally prior to mid-year. Parents wishing to secure a place for their child will be required to accept the offer and pay the commitment fee at that time, although enrolment will only be confirmed following completion of internal processes, including an interview, and if appropriate, consultation with parents and a consultant from AIS about disability and impact of this on the student's education; identification of adjustments; preparation of a review schedule etc.

#### Acceptance and Enrolment Forms

The following steps must be adhered to before a place can be confirmed:

- A signed Acceptance Form and payment of the commitment fee must be received by the School.
- A completed Enrolment Form signed by both parents (if appropriate) must be received by the School.
- All school fees must be paid by direct debit or credit card (service fee of 1% of the amount paid), enrolment will not be confirmed until we receive the completed Direct Debit Authority form.
- Any special circumstances including medical details must be disclosed (and noted on the Enrolment Form) especially as these may have arisen since the student's Registration Form was first completed.
- The student and his/her parent(s) must attend an interview with the Pre-school Director, Head of Primary or Principal.
- Provision of comprehensive information by parents in preparation for enrolment.

# **Commitment Fee**

This fee is set each year in line with tuition fees charged. Please refer to the current Tuition Fees Schedule. All but \$300 of the commitment fee for Years K-11 will be credited to the student's first term's fees.

#### Accounts (School Fees)

The parents or persons nominated on the Enrolment Form as being responsible for the payment of school fees are jointly and severally responsible for the payment of fees.

Other costs such as for camps, excursions, extra subjects, materials and the supply of goods and services may be charged to a student's account at the School's discretion and shall be payable under the same conditions as School fees.

All fees are payable on or before the first day of each term. **The payment of school fees is required as a direct debit arrangement** from a bank or credit card for all new families enrolling in the school after April 2018. Monthly direct debit payments may also be arranged.

Payments made after the due date will attract an Administration Charge as published from time to time by the School. The School reserves the right to refuse entry to or terminate the enrolment of students for whom the fees are in arrears.

Additionally, if the parents have a child currently enrolled at the School, enrolment for a new child will be compromised if there is an outstanding fee debt or if fees have not been paid by the due date.
